ORAL ORDER
(Passed on 26th March, 2007)

The only direction issued by this Court in Writ Petition No. 1662 of 2002 dated 10-12-2003 is as under :

> "In that view of the matter, in the petition of this Court, ends of justice will be served if a direction is given to the petitioners to submit a representation along with copy of the petition and this order before the competent authority. On such representation being filed the same shall be considered and decided as early as possible preferably within a period of three months from the date of receipt. If required the petitioners may also be heard and payment be made as early as possible."

(2). The respondents though belatedly considered the representation made by the petitioners and passed the order.

(3) In view of the above, I do not intend to take cognizance of the contempt petition. It is accordingly rejected. However, liberty is reserved to the petitioners to question the correctness of the orders said to have been passed by the respondents before the appropriate forum for appropriate relief. Ordered accordingly.
